

### **Residential seat allotment for Bangladeshi students**

In the AY of 2016-2017, 170 seats will be available in the halls of residence of IUT for the first year B.Sc. Engineering students of the host country. All the OIC-Financed students will get seats in the halls of residence of IUT. The seat distribution among the engineering departments are as follows:

OIC-Financed students	110
EEE (Self)	24
CEE (Self)	12
MCE (Self)	12
CSE (Self)	12
<b>Total</b>	<b>170</b>

In allocating the seats, less priority will be given to the students living or studied in HSC or equivalent level inside Dhaka or Gazipur area. Seats will be allocated among the students of the respective departments on the basis of the admission test merit position.
