NOTIFICATION

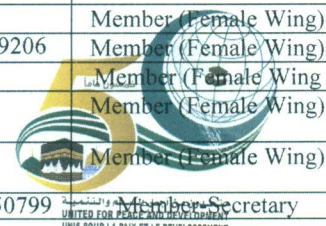

Every student must keep in mind that the University follows a policy of zero tolerance towards any activity not compatible with the generally accepted behavior and conduct. Bullying, whatever may be its forms and manifestations, shall not be allowed either on campus or off-campus. Either as an individual or as a member of a deviant group, engagement in any kind of ragging, bullying and rowdiness, may lead to expulsion from this University completely ruining their future as well as the hopes and aspirations of their parents and guardians.

The administration of the University, therefore, seeks the whole-hearted cooperation from the senior students, in particular, so that no student is found to be involved in rowdy activities especially against the new ones causing a sense of shame, embarrassment, annoyance, hardship and psychological trauma in them crossing the limits of decency and morality.

In order to monitor the incidents of ragging, bullying and other prohibited activities on the campus, an Anti-Ragging Committee has been constituted with the following:
